"I just found out about the passing of your husband and wanted to offer my sincere condolences to you.

I always admired Pastor Dailey for his excellence in ministry. He excelled not only in preaching the word but living it. I will always remember his love towards everyone that he met including me.

I remember making the kitchen cabinets with your husband; we really had some quality time of sharing.

We know that to be absent from the body is to be very present with the Lord.

I trust and pray that all is well with you? I will continue to keep you in my prayers."

"Dear Pastor Patricia Dailey,

I was just looking on your web site and saw that Pastor Wayne had gone on to be with The Lord. I have visited Bethal Revival a hand full of times and I am thankfull for those visits. One time I asked Pastor Wayne to visit and pray for a co-workers mother in an everett hospital and he did, you won't always find people willing to do that and I'm not even a regular attendee of Bethal.

I used to listen to Pastor Dailey at noon on wrol and always enjoyed his way of preaching. I just want to say Thank You for your husband and his witness to me and also to offer you my sincere condolences. As Christians we know that we will be reunited again with those who have died in the faith.

May God Bless and Comfort You and your family"

"Dear Sister Dailey,

I am writing to send my condolences to you and to tell you how sad I am to hear of Pastor Dailey's passing. I went . . . to your website and this is where I saw and heard the sad news.

First, I want to tell you that you and Pastor Dailey were so very important to me in my life! I was a lonely, hungry college student and you became my family. Pastor Dailey fathered me with his sweet love and kind words, and you, Sister Dailey, fed me the MOST DELICIOUS food and made me feel like part of your family.

It has been so wonderful to see the pictures posted online of your lives together, to see all of the familiar faces, and to hear the audio of the funeral.

. . . I first got saved, at the altar at Bethel Revival Center, when Pastor Dailey led me in the

sinner's prayer. He then laid those big, strong hands on my head and God transformed my life..... in an instant. Then the next week, I was on the bus with everyone to go to a service in Biddeford, and I put my head down on the seat and started speaking in tongues!

I wish you peace and comfort as you adjust, continually, to life without your sweetheart. You had a love affair like no other. During my time of being with you, I observed the sweetest love between the two of you and I am sure that it lasted throughout this lifetime together..... and of course, after a brief moment apart..... will last throughout eternity.

Thank you for being my "other mommy", for loving me and for all you did to care for me and bring me into the family. I miss you all!!!!!"

"Praise the Lord,

I am so delighted to have come across your website, which teaches the true Word of God. The point Brother Dailey is dealing with is very important, for unless we strive for perfection, we are wasting our time. He seems to be a man of unction.

The Bible tells us after we are born again we are perfect in Him, and now we should be walking in newness of life and live a holy life, for He is holy, and that's the key where most of us are failing.

Well, God bless you mightily for the work you are doing with this website, and add more to your ministry."

"Brother Dailey was a special person to me in many ways. I treasure the many times and ways he helped me through trials and tests. I still lean on his words of wisdom many times a day. Thank you, also, for all your care and prayers for me over the years."

"In 1970 I enrolled as a student at Bethel Bible College and was privileged to sit under Pastor Wayne Dailey's ministry and teaching. He devotedly passed on to us the God-given knowledge and wisdom which he had acquired over the years. He handled the Word with anointing, great ability, clarity and insight. His proclamation of the Word was always sincere and profound.

"Pastor Dailey demonstrated exemplary faith in God, and God responded to his faith in mighty ways. He stood for holiness, taught holiness, believed holiness, practiced holiness, and expected holiness from all the students. Needless to say, as students, we often felt challenged as God worked the changes in us.

"I believe my attending Bethel was divinely orchestrated, and my years there were truly amazing. I thank God for affording me the opportunity to have been trained and shaped under this powerful ministry where I experienced God in ways I had never experienced Him before.

"There is no doubt about it, the world has lost a great man of God, but, praise God, this vision and mandate from God is far too big to die with him. It will live on through the legacy he has left behind. It lives on in every soul saved under his ministry, through every faithful minister whom he trained, taught, mentored, guided, and sent forth. And it lives on in me, as I minister and pastor here in the United Kingdom and elsewhere.

"Family, church members, former students, and friends, let us rejoice because the godly life Pastor Wayne Dailey has lived, the service he has rendered, the faith he has demonstrated in God, and the sacrifices he has offered unto God are undying and unending in their influences. He has left a mark for God which neither death nor time can erase."

"How I wept when I read your letter. This world has lost a true hero in faith, prayer, and godliness. I respect you and Brother Dailey more than any other people of God. You had such a beautiful marriage and ministry together. My heart breaks for you. I have been travailing in prayer for you. I am confident that you will be equipped to carry on the ministry. You are God's anointed handmaiden. This has certainly been a year of loss and sadness for you [i.e., losing both her son and husband]. What a legacy of godliness Brother Dailey has left, and his eternal reward is great. May the Lord give you supernatural peace and strength and be close to you in a very special way."

"Brother Dailey has left a very large footprint in the sands of time for others to follow. He was a wise and diligent pastor, teacher, and spiritual leader to all who knew and worked with him in the battle for souls. He was an encourager to me, personally, and shared with me much wisdom that has stood the test of time."

"The Lord placed me at Bethel for training under Brother Dailey's leadership. He could not have been a better mentor: a man who gave his entire existence to the Lord's work, always conscious of being a good example! The memories of my time with him will be cherished for ever. I still quote many of his words of wisdom – words I have never forgotten – from a person I will never forget and will always cherish."

"Brother Dailey was truly a man of God and will be missed by all."

"Brother Dailey was truly a soldier of the Cross and a defender of the faith."

(of Brother Dailey's life) "Some men leave their mark on the world by the way they live and the difference they make in the lives they touch."

"I loved Brother Dailey very much. He was an inspiration to my soul in serving God in faithfulness, and being a man of faith until death. May he rest in the Master's Hand. Work well done!"
